ORDER:

At its meeting held on the 30th June 1948, the Retrenchment and Reorganisation Committee recommended that it would be advisable for the Provincial Government to appoint for each of the business concerns undertaken by them, a statutory Advisory Board consisting of persons expereienced in business undertakings to help the administrative and technical staff with advice and also to help the Government in the administration and management of these undertakings, similar to the Boards appointed by the Government of India, e.g. the Railways, the Damodar Valley Scheme and the Refugee Relief Corporation. The Government have carefully examined the recommendation in so far as it relates to the three undertakings under the control of the Civil Supplies Department, namely (1) the Government Milk Factory, Madras (2) the Civil Supplies Transport Units; and (3) the State Trading Schemes in Foodgrains and have decided that Advisory Boards be set up for all of them. The Board of Revenue (Civil Supplies) is accordingly requested to submit urgently necessary proposals to the Government for the early constitution of Advisory Boards for the three commercial undertakings under its control.
